# Itinerary

## Day 1: New York – Finger Lakes – Niagara Falls, USA

Transfer from New York, Finger Lakes & Niagara Falls

Make your own way to our meeting point in central Manhattan to board your bus north. Start your trip by driving through amazing sceneries and the Delaware Water Gap before heading to the Finger Lakes region, stopping for a visit to Watkins Glen State Park (during winter you will visit Montour Falls instead of Watkins Glen Park when the Park is inaccessible). Enjoy a walk-in pristine nature before climbing back aboard the bus, passing the beautiful Seneca Lake to finally arrive in the magnificent Niagara Falls. Experience the incredible view of the American side of the falls, where you will be able to appreciate the power of the falls and the view of Goat Island and Luna Island. End your day with a Niagara Falls night tour to see them colourfully illuminated before transferring to your hotel for overnight.

## Day 2: Niagara Falls – New Jersey, USA

Niagara Falls Tour & Transfer to New Jersey (B)

Get ready to experience your second day at the incredible Niagara Falls. You will head to the Horseshoe Falls to take an amazing tour aboard the Maid of the Mist (Only available from May to October). If you are travelling during the months from November to April, when the Maid of the Mist is closed, you will be visiting the Scenic Tunnels instead. In the evening continue your experience by visiting one of the large outlet malls in the State of New York. Enjoy some free time at the mall to shop or relax before transferring to New Jersey for overnight.

## Day 3: New Jersey – Philadelphia – Washington D.C., USA

Philadelphia & Amish Country Visit (B)

Start your day with a transfer to Philadelphia, Pennsylvania's largest city, also known as "The City of Brotherly Love". Your tour will start with a visit to Philly's most iconic landmarks. Stop at Independence Hall to see the famous Liberty Bell, an iconic symbol of American independence and see Elfreth's Alley, America's oldest residential neighbourhood. You will also visit the financial district and the fascinating Benjamin Franklin Parkway. Before leaving Philadelphia, you will also see the stone steps of the Museum of Art, known as the "Rocky Steps" due to their appearance in the classic American film Rocky. Continue your trip to reach Lancaster County, where you will have the opportunity to witness the Amish community and culture. You will ride on an authentic Amish Buggy and learn about their lifestyle without technology, electricity, running water, or appliances. End your experience stopping at the Amish marketplace where you will be able to shop for handmade products. Overnight in Washington D.C.

## Day 4: Washington D.C. – New York, USA

Washington D.C. & Transfer to New York (B)

Get ready to experience incredible Washington D.C. Start your tour with a visit to the Thomas Jefferson Memorial, dedicated to the third President of the United States and the main author of the Declaration of Independence. Continue your tour at the Arlington National Cemetery, where you will have the opportunity to see the John F. Kennedy Eternal Flame. See the iconic Capitol, Senate and White House, the nucleus of the US government. Pay a visit to the Air and Space Museum before visiting Lincoln Memorial, the Korean War Veterans Memorial, the Vietnam Veterans Memorial and the Stone of Hope, dedicated to Civil Rights Movement leader Martin Luther King. This adventure will come to an end as you head back to New York, arriving late in the evening.
