Itinerary

Day 1-3: Airlie Beach-Whitsunday Islands-Airlie Beach, Australia

3 Day Sailing Experience

This amazing sailing trip will take you to paradisaical destinations, will get you partying with new friends on the deck of these huge yachts, or simply soaking up the Aussie sun.

This tours offer time to explore the islands, including time to relax at the magnificent Whitehaven Beach, walk to famous Hill Inlet Lookout and experience two snorkelling stops on the fringing coral reefs which extend right from the edge of the Islands.

An optional Scuba dive is available when we meet with our Dive Boat, Tornado Dive, which is purpose built to do Introductory or Certified Scuba Dives.

During the trip you will cover around 100km's around the islands and is achieved in 2 days and 2 nights due to the sailing performance and ability of your Maxi Yacht to sail faster than other charter yachts can go, even when they use a motor, which is also really friendly for the environment as we use wind power. Not only will you visit the famous Whitehaven Beach, but you will also get to the Northern end of the Whitsundays, where the best fringing coral reefs in the Whitsundays are found around Hayman Island, Langford Reef and Mantaray Bay.

If you want to be involved, help the crew set the sails, have a turn on the wheel, and get some amazing sailing photo's. The Captain and crew will provide you with plenty of information on the Whitsunday Islands and the Marine Park and you will arrive back to the Marina at 11am on the 3rd day with a better appreciation of the Whitsunday Islands.

This all makes up for an unforgettable experience at one of the world's cleanest and purest destinations!

*Itineraries are flexible
