Game Drives & Visit a Masai Village

Enjoy a full day of game drives to absorb the beauty and splendor of the Mara - home to breathtaking vistas, mass herds of animals and their associated predators. In fact, the Mara has the largest population of lions to be found in Kenya. Other animals to be seen here include Buffalo, Black Rhino, Hippopotamus, Leopard, Cheetah, Common Zebra, Coke's Hartebeest, White-bearded Gnu, Oribi, Warthog and Thomson's and Grant's Gazelles. The bird life of Mara is as profuse as its mammalian fauna.

You will be dropped off at the Masai Village at 5:00pm for an opportunity to visit the Masai people. Upon arrival at the village, proceed for a nature walk with the Masai naturalist guide where you'll get to see herbs that are used as medication among the Masai. Return to the village where a camp fire will be lit and enjoy entertainment. The chief will then give you stories of their culture and tradition, show you how the herbs seen during the nature walk are prepared and used.
