- *Tips

Trip Description

Experience Teotihuacan Pyramids from the sky!! Be part of a magical and colourful hot air balloon adventure. We will pick you up at your hotel in Mexico City around 5:00 am for a 1-hour drive to Teotihuacan. At sunrise, we will prepare and inflate the hot-air balloon with the rest of your group (6-10 people) and as soon as it leaves the ground it's an unforgettable experience. Feel the excitement of admiring the Sun and Moon temples from 2000 feet above the ground and admire the beautiful green valley, volcanoes and mountains during the flight.

After landing, receive your certificate and celebrate with a glass of champagne to give thanks to the wind, fire, water and mother earth for allowing us to have this experience. On Saturdays and Sundays, enjoy an included buffet breakfast. Then we will drop you off at the Teotihuacan pyramids around 9:30 am so you can walk at your own pace and admire them from the bottom as well (entrance is not included, it costs around 57 pesos p/person). You will have the opportunity to hire a guide if you wish once you are there as well. We will pick you up around 1:00 pm and bring you back to Mexico City!
